***Follow our upgrade checklist below to make sure you're prepared.***

- Verify that Police FCU has current contact information for you on file. You can check this through online banking.
- Check in on the upgrade at ***POLICEFCU.COM/UPGRADE*** at regular intervals. Make sure to check back right before the weekend of the upgrade.
- Share information about the upgrade with joint account owners who may not receive the emails and mailings.
- Schedule any upcoming bill payments before Friday, April 10.
- Finish any loan applications, new account openings, or transfers before 5:00 p.m. EST on Friday, April 10.
- Take out enough cash to have on hand before the upgrade weekend to avoid branch and ATM unavailability.
- Plan to not make any large purchases with your Police FCU debit or credit cards during the weekend of the upgrade.
- If you need to take out cash over the upgrade weekend, note your balances before Friday, April 10, to ensure your account does not become overdrawn.
